**EX PARTE QUAYLE**

1. This application is in condition for allowance except for the following formal matters:

**Interference**

a. The Election of Species Requirement (mailed on August 25, 2005) is hereby withdrawn. All pending claims (i.e., claims 54-73) have been examined. Claims 1-53 were previously cancelled (see Preliminary Amendment filed on May 26, 2004).

b. Claims 54-73 are allowable. The only question to be resolved prior to allowance is the question of priority of inventorship, which is properly resolved under interference proceedings. Under MPEP 2304.04(a) (October 2005), applicant is invited to suggest an interference under 37 CFR 41.202(a) in order to have applicant's view as to how the interference should be declared on record. Note the change in Rule. Further, it is noted applicant presented a substantial showing under prior rules on May 26, 2004. The information provided therein may be incorporated into the new suggestion under the appropriate headings. Guidance for current interference practice may be found in MPEP Chapter 2300 (October 2005) and in Federal Register Vol. 69 No. 155, August 12, 2004 beginning 49990-49996. See also 37 CFR Part 41.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
